

Rules Specific to English Creek Speedway (Rules are FINAL)

This is clarification for people attending Outlaw Dirt Kart Nationals on August 9th & 10th, 2021.

- Be sure to read *all* rules in the English Creek Speedway Rulebook. The rulebook can be found on our website: www.englishcreekspeedway.com.
- **Clutch Requirements:**
 - **No slipper clutches.**
- Tire Rule: Hoosier Treaded Tires on all four corners.
 - Right-rear must be a D50 or D55.
 - Durometer must read at a minimum of 50.
- Muffler Silencer Requirements:
 - Restricted Box Stock and Box Stock: Muffler Silencer must be B91X. No loop pipes. There is cam lift rule. No spring rule.
 - Intermediate and adult clone classes: Silencer must be a B91XL round hole muffler or RLV-4106. Exhaust Pipe must be double nutted, or safety wired, and silencer must be supported by clamped on brace to secure it in place. No loop pipes.
- Engines that are ported and polished are legal in the intermediate and adult classes only.
- Cam and springs are non-tech in the open and clone classes.
- We do not allow the PVL flywheel. We require a billet flywheel.
